Re: 2015-2017 Three-Year Election for Retransmission Consent

Dear Mr. Bradley:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station WLKY-TV, Louisville, Kentucky (the "Station") elects to require Brandenburg Telecom, which serves the community(ies) and/or county(ies) and unincorporated areas within those community(ies) and county(ies) listed on the enclosed 2015-2017 Retransmission Consent Election Statement, to obtain the consent of the Station for retransmission of its broadcast signal effective January 1, 2015, through December 31, 2017. Consent of the Station for retransmission of its signal will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) listed on the enclosed Election Statement.

I would appreciate your contacting me to discuss the terms under which the system(s) may retransmit the Station's signal. If you already have a retransmission consent agreement with the Station or with Hearst Television Inc. or a subsidiary thereof (collectively, "Hearst") that covers the Station for all or a portion of the January 1, 2015, through December 31, 2017, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2017, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or Hearst contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Sincerely,

Glenn Haygood
President & General Manager

Re: Must-Carry Election

Please be advised that, pursuant to 76.64(f)(2) of the rules of the Federal Communications Commission ("FCC"), WORD BROADCASTING NETWORK, INC., the licensee of Television Station WBNA-TV, Louisville, Kentucky, elects must-carry status for the period beginning January 1, 2015 and ending December 31, 2017 on your cable systems in the Louisville designated market area ("DMA"), as more specifically set forth on Exhibit A attached to this letter.

This will further notify you that, pursuant to 76.57(e) of the FCC rules, our station elects to be carried on either (a) cable channel 21, the station's over-the-air channel, if such channel is on the most basic tier and is available to all of the systems' subscribers on a uniform channel or (b) a mutually agreeable channel available to all of the systems' subscribers on a uniform channel. To the extent the station is currently carried on such a mutually agreeable cable channel (as set forth in Exhibit A), we hereby agree to continued carriage on that channel for the upcoming three-year election period, subject to your agreement to maintain continued carriage on that channel for the entire must-carry election period (i.e., until December 31, 2017). If you intend to move the station to its over-the-air channel, please provide us with written notification by December 1, 2014. In the absence of such a notification, we will consider your continued carriage of the station at its current location as your agreement to maintain carriage on that channel for the entire three-year election term.

WBNA is broadcasting a High Definition ATSC digital signal on VHF Ch. 8.1 using virtual channel 21.1 and therefore request the signal be rebroadcast in High Definition on your cable system pursuant to FCC Must Carry Rules. We also encourage the cable system to carry our additional multicast channels airing on 8.2, 8.3, 8.4, 8.5 and 8.6.

We look forward to working with you in the future and are eager to serve your subscribers. Should you have any questions concerning this mandatory carriage election, please contact the Tom Fawbush, WBNA's General Manager.

Sincerely,
